

Bronx Ceiling Fan with Light

Description

- The Lucci air ceiling fan Bronx in chrome with black blades has a diameter of 132cm. This makes it perfect for rooms up to 35 m².
- The built-in LED lighting can be dimmed in 3 levels and the color temperature can also be adjusted (color changing technology).
- The Lucci air Bronx has a DC motor, which is long-lasting, economical and whisper-quiet. This ceiling fan can even be used in the bedroom.
- In addition to the 6 speed levels and summer and winter running, a timer function can also be selected via the remote control.
