

# Fanaway Orbit

## 90cm DC Ceiling Fan with Retractable Blades and Light

### Description

- Fanaway Orbit from FANAWAY® is an advanced ceiling fan with unique aesthetics and energy-efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, and visually the unit transforms into a slim, modern light pendant. Turning the fan on creates a centrifugal force which deploys the blades to circulate air within a room.
- Additionally, retractable blade ceiling fans are easier to maintain and care for because they collect less dust and feature cleanable blades.

IP Rating  
IP20
