

solana[®]

The image features three Solana Kafig Pro pendant lights as the central focus. These lights have a distinctive design with a faceted, amber-colored glass shade and a black wire cage. They are suspended by black cords and brass-colored fittings. The background is a blurred interior space, likely a restaurant or cafe, with warm, golden light emanating from other sources, creating a cozy atmosphere. In the foreground, a wooden table is partially visible, holding a small vase with dried flowers and a metallic can.
