All units are in millimetres.

Installation

Cleaning

Warning: Before cleaning, disconnect from mains supply and allow luminaire to cool.

Disposal

Ensure correct disposal of this product (waste electrical and electronic equipment).

Safety Tips

- Always ensure the power is OFF and the fitting has cooled down before performing any maintenance, cleaning, changing the globe or making any adjustment to the fitting.
- To avoid injury or damage to the fitting, ensure that power leads and screws are secure before connecting the power.
- The fitting must not be used if the protective shield has been cracked. Replace any cracked protective shield.
- Ensure that the fitting does not come in contact with corrosive chemicals etc.
- To clean, wipe with a damp clean cloth. Never soak the fitting with water.
- Do not disassemble or remold the product at will to avoid accident of electric shock or light falling.
- Luminaire must be connected to a wiring system with an equipment-grounding conductor.
- Make sure the supply voltage is the same as the rated luminaire voltage.
- Avoid to use in environments containing sulfur, chlorine, or other halides, methyl acetate or ethyl acetate, cyanoacrylates, glycol ethers, formaldehyde or butadiene.

Corrosion Protection

It is important to note that care must be taken during installation or maintenance to ensure that the surface of the luminaire is not damaged. Any damage, which is exposed to moisture will result in corrosion occurring.

Please also note that any chemical applications on the luminaire or chemical contact via installation will cause corrosion of the surface of the luminaire and will void the warranty.

Warranty

- This light fitting is covered by 5 years warranty.
- If the fitting is not installed by a licensed electrician the warranty will be void.
- Please retain proof of purchase and evidence of installation by a licensed electrician for any warranty claims.
- Warranty will be void if there is any damage due to improper usage or modification to the fitting.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.
