- Lights up directly when switched on.

**Colour Rendering Index**  
≥80

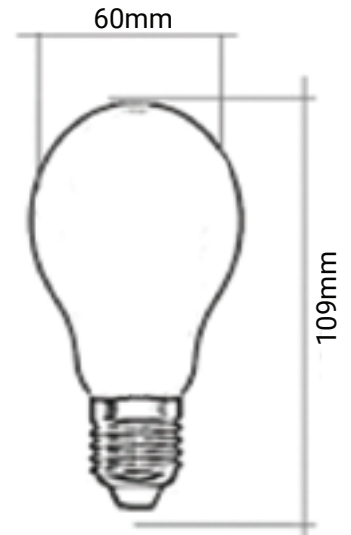

**5** years **Standard Warranty**  
warranty

## TECHNICAL DATA SHEET - CANOPUS X - 15772 - LED LAMP

### TECHNICAL DATA

Product Data	LED Lamp
Lamp Base	E27
Lamp Type	EPISTAR LED
Wattage	6W
Color Temperature	6000K
Rated Luminaire Luminous Flux	810lm
Rated Luminaire Efficiency	135lm/W
IP Rating	20
Beam Angle	360°
Voltage	AC220-240V
CRI	≥80
Frequency Range	50-60 Hz
Operating Temperature	-20 °C to +40 °C
Material	Frost PC+Aluminum
Finish	White
Life Span	50,000 Hours
Warranty	5 Years
Applications	Residential, Hospitality etc.

### PRODUCT DESCRIPTION

These new technology LED filament bulbs give out a warm light, making your home or business feel cozy and warm. Giving out over 135 lumen per watt, these bulbs are extremely efficient and will last up to 50,000 hours. These bulbs are perfect for use in domestic or commercial properties adding primary light or ambiance at a fraction of the energy cost.
