warranty **Standard Warranty**

TECHNICAL DATA SHEET - SIRIUS PRO - 15774 - LED LAMP

TECHNICAL DATA

Product Data	LED Lamp
Lamp Base	E14
Wattage	6W
Color Temperature	3000K
Rated Luminaire Luminous Flux	390lm
Rated Luminaire Efficiency	65lm/W
Beam Angle	360°
Voltage	AC220-240V
CRI	≥80
Frequency Range	50-60 Hz
Operating Temperature	-20°C to +40°C
Current	12.89mA
Material	Frost Glass + Aluminium
Finish	White
Life Span	50,000 Hours
Warranty	5 Years
Applications	Residential, Hospitality etc.

PRODUCT DESCRIPTION

This candle bulb with effective LED technology provides day light, which illuminates the room immediately after switching it on and does not require a warm-up phase. The warm white light creates a very homey and cosy atmosphere with very good colour rendering, so that colours appear very natural and atmospheric. With its design and frosted cover, this candle bulb is equally and perfectly suitable for open and closed lamps, whilst its beauty and elegance is particular striking when used for chandeliers.
